John Stott's Teachings Newly Formatted for Daily Reading

Read day-by-day through John Stott's essential teachings in a new InterVarsity Connect series, *Reading the Bible with John Stott*. The series condenses Stott's well-known Bible Speaks Today volumes into short sections focused on specific Scripture passages. This new format makes these volumes ideal for daily reading or group study. Questions following each set of readings help individuals and groups go deeper into the text.

This series will continue the impact of Stott's worldwide ministry by connecting today's readers, including those already familiar with or new to his work, with Stott's rich teaching on Scripture.

Reading the Sermon on the Mount with John Stott is the first volume of the series, containing eight weekly studies covering Matthew 5–7. Stott's teaching on this timeless text shows how its value system, ethical standard, religious devotion and network of relationships clearly distinguish it from the nominal church and the secular world.

The two volumes of *Reading Romans with John Stott* condense Stott's *The Message of Romans*. Stott's teaching reveals how the message of Romans transforms our thinking and convicts our hearts as we discover the power of the gospel for every part of our life and world. Volume one covers Romans 1–8, and volume two covers Romans 9–16 in ten weekly studies per book.

More About John Stott

During his life (1921–2011) John Stott was one of the world's master Bible teachers. Christians on every continent heard and read John Stott's exposition of Scripture, which was at once instructive and inspiring. With over eight million copies of his more than fifty books sold in dozens of languages, it is not surprising that *Time* magazine recognized him in 2005 as one of the "100 Most Influential People in the World" and *Christianity Today* called him "evangelicalism's premier teacher and preacher." At the core of his ministry was the Bible and his beloved Bible Speaks Today series, which he originated as New Testament series editor. He himself contributed several volumes to the series, which have now been edited for this *Reading the Bible with John Stott* series. . . .

Though Stott was himself an able scholar, these volumes avoid technicalities and scholarly debates, with each reading emphasizing the substance, significance and application of the text.

– Taken from the series' preface, "How to Read the Bible with John Stott"
