Fresh Daily Rhythms for Spiritual Transformation

With God Every Day offers a customizable framework for a daily spiritual practice that intentionally invites God into your everyday life. Through an adaptable, step-by-step process, this practice helps you cultivate the time and space to grow your relationship with God. Each step of the practice encourages you to engage with God, self, and others in a practical and thoughtful way.

With God Every Day is perfect for:

- Quiet time by yourself
- Group devotionals
- Starting fresh daily spiritual rhythms
- A more personalized spiritual formation

Four things are needed:

- *With God Every Day*
- A Bible
- A journal
- A heart committed to creating space each day to engage with God
